

CONSTRUCTION NOTICE

Capital Line South LRT Utility Relocation Project
111 Street from 9 Avenue to 12 Avenue

NOVEMBER 2024

PROJECT OVERVIEW

As part of the City of Edmonton's Capital Line South LRT Extension Project, EPCOR is responsible for relocating all the power, water and drainage utilities to avoid potential conflicts with future LRT infrastructure. This line is an extension of the current Capital Line, which will operate from Century Park to Ellerslie Road.

To meet the overall LRT project schedule, the City of Edmonton has requested that EPCOR perform the utility relocations within specific areas along the alignment before LRT construction. EPCOR Capital Line LRT projects began in March 2023 and will continue into 2025.

WHAT'S HAPPENING?

EPCOR is working to relocate water infrastructure on 111 Street and 12 Avenue. There will be a shift in the current traffic accommodation at this location. In addition, we will be returning to 111 Street and 9 Avenue to complete final connections.

Residents and businesses can expect to see activity that is typical to construction, including company/contractor vehicles and equipment.

Water Outages

Water outages are not anticipated as a part of this work. Some residents may be connected to temporary water, which may result in a brief interruption in water service. You will be notified 48 hours in advance if your property requires a temporary water service.

SCHEDULE

Construction at 111 Street and 9 Avenue is also underway and is expected to be completed by **mid-November 2024**.

Construction at 111 Street and 12 Avenue is underway. The new traffic accommodation shown is the map below is expected to start the **week of December 2, 2024**. In addition, EPCOR will return to 9 Avenue in mid-December to complete final connections. All work is anticipated to be completed by late December/early January.

Landscaping and pavement will be restored after construction is complete and weather permits. *Timelines are estimates and may change based on weather and construction conditions.*

HOURS OF WORK

Regular working hours are **7:00 a.m. to 7:00 p.m. Monday to Saturday**. If required, these hours may be extended, and construction may occur on **Sundays from 9:00 a.m. to 5:00 p.m.**

EPCOR will work to manage noise associated with the construction and will ensure that the construction is completed within the requirements of the City of Edmonton Noise Bylaw.

If it is necessary to temporarily exceed acceptable noise levels, we will work with the City of Edmonton to obtain the necessary permits.

MAP OF WORK AREA

TRAFFIC IMPACTS

The following traffic impacts will be in effect starting in early December:

- Closure of one northbound lane on 111 Street near 12 Avenue.
- Closure of the westbound lanes on 12 Avenue both east and west of 111 Street. Two way traffic will be maintained in the remaining open lanes.

The following traffic impacts will be in effect starting in mid-December:

- Closure of one northbound lane on 111 Street near 9 Avenue.
- Closure of the westbound lanes on 9 Avenue both east and west of 111 Street. Two way traffic will be maintained in the remaining open lanes

SAFETY

The construction areas will be fenced and/or marked as restricted areas. We will take every precaution to ensure public safety, and we request your assistance in keeping children and pets a safe distance from the construction site and the equipment.

We thank you for your patience and understanding as we perform this necessary work.

MORE INFORMATION

EPCOR is committed to minimizing construction impacts where possible while we work in the community. If you have any questions regarding this work please contact us.
