

HOME ENERGY MONITOR APPLICATION FORM

EPCOR is committed to protecting the personal information of our customers. We require your consent prior to connecting your selected home energy monitoring device to the power meter at your location. Please fill out and sign the form below to provide this authorization.

Email your completed form to EPCOR-AMI-support@epcor.com. Once we get your request, we'll connect your device to the power meter location within 2 business days

Note: Only people who are named as contacts on the Site's account can make a request to connect a home energy meter to the power meter at the Site.
