

PROVIDING MORE

The following list provides contact information for plumbing / mechanical contractors that employ a certified backflow prevention tester, through the Western Canada Section (WCS) of the American Water Works Association (AWWA). These companies have chosen to register with EPCOR and the list is not intended as an endorsement or promotion of the companies contained therein by EPCOR.

***Please note that this list does not include all companies certified to install and test backflow preventers. Should you wish to use a contractor or company not included in this list, please ensure you verify they are certified to do the work.***
