APPLICABILITY: The charges contained herein are applicable to the services provided as described below. Service shall be furnished in accordance with the Company's General Rules and Regulations, terms and conditions available at the Company's office and on file with the New Mexico Public Regulation Commission, which General Rules or subsequent revisions thereof are a part of this rate as if fully written herein.

NEW SERVICE CONNECTION CHARGES: In the event a customer requests a new service connection to existing Company facilities which are in the near vicinity of the customer's facility, and which does not require new service facilities beyond a normal and customary service line and meter installation, the customer shall pay to the Company a non-refundable meter and expansion fee of \$650.00 for each new service installed.

SERVICE CONNECTION, DISCONNECTION OR RECONNECTION DURING NORMAL BUSINESS HOURS:

- A. In the event a customer requests commencement and connection of water service through existing facilities as a new service account, there shall be no charge for this service.
- B. In the event a customer requests termination and disconnection of water service to an existing service and account, the charge for this service shall be \$20.30.
